Open Questions

What did you particularly like about this course?

- - great atmosphere
  - good selection of topics

- - lecture style, grading, course lead
  - deep knowledge on papers required

- - nice teaching style
  - good teaching of econometrics
  - good class atmosphere

- - outstanding & inspiring atmosphere : focused on both, excellent performance and fun while working with research papers.

- 1. The atmosphere
  2. The professors way to explain and mediate the discussion
  3. The complexity of the paper

- Good atmosphere

- I liked the atmosphere, great quality of methological analysis & econometrics. Professor/ Lecturer had great insights to share which was really helpful.

- It has proven to be very useful in terms of presentation and organisation skills as well as content wise for future master´s thesis preparation. Moreover Dr.Ahrens has been a great lecturer and very encouraging with the students.

- The class was the best and most comprehensive course I have participated in during my business studies so far. Dr. Ahrens is a highly motivated and motivating lecturer that has a tremendous knowledge both in the field of theoretical research on family businesses and econometrical analyses. The tutorials are a great opportunity to apply our Stata skills and I am very thankful for the support for the semiar+master thesis.

- The enthusiasm of the professor and dynamic of the group. The article´s was well structured which made me believe the professor was commited to the course.

- course atmosphere --> good discussions

- professor´s attitude
  interactivity
  presentations and discussions

What should be improved?

- - establish direct link of econometric theory to the papers

- - practice for econometrics (more practical insights)

- I don´t see any major thing to improve regarding this class

- More courses on econometrics could have been better. I like it so much, I would like more.
